(1) The cash dividend declared on STRC for the month ending March 31, 2026 represents a per annum dividend rate of 11.50%.

#### *Expected Tax Treatment*

As of February 28, 2026, Strategy expects that the dividends payable on its preferred equity instruments on March 31, 2026 will be characterized as non-taxable return of capital to the extent of a recipient shareholder's tax basis in their applicable preferred equity instruments for U.S. federal income tax purposes. Special tax considerations may apply to certain taxpayers based on their specific circumstances. Shareholders should consult their own tax advisors regarding the U.S. federal, state, local, and any non-U.S. tax consequences to them in connection with the receipt of distributions.

#### **Item 7.01 Regulation FD Disclosure.**

##### *Strategy Dashboard*

Strategy also maintains a dashboard on its website ([www.strategy.com](http://www.strategy.com)) as a disclosure channel for providing broad, non-exclusionary distribution of information regarding Strategy to the public, including information regarding market prices of its outstanding securities, bitcoin purchases and holdings, certain key performance indicator metrics and other supplemental information, and as one means of disclosing non-public information in compliance with its disclosure obligations under Regulation FD. Investors and others are encouraged to regularly review the information that Strategy makes public via the website dashboard.

##### *Furnished Information*

The information disclosed pursuant to Item 7.01 in this Current Report on Form 8-K shall not be deemed "filed" for purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.

#### **Forward-Looking Statements**

Statements in this Current Report on Form 8-K about future expectations, plans, and prospects, as well as any other statements regarding matters that are not historical facts, may constitute “forward-looking statements” within the meaning of The Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, statements regarding the tax-deferred return of capital treatment of dividends on Strategy's preferred stock. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “intend,” “may,” “plan,” “potential,” “predict,” “project,” “should,” “target,” “will,” “would,” and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors, including the uncertainties related to Strategy’s future results of operations, its expectation regarding the tax-deferred return of capital treatment of dividends on Strategy's preferred stock, fluctuations in tax benefits or provisions, assumptions underlying Strategy’s projections, and the other factors discussed under the caption “Risk Factors” in Strategy’s Annual Report on Form 10-K filed with the Securities and Exchange Commission (“SEC”) on February 19, 2026 and the risks described in other filings that Strategy may make with the SEC. Any forward-looking statements contained in this Current Report on Form 8-K speak only as of the date hereof, and Strategy specifically disclaims any obligation to update any forward-looking statement, whether as a result of new information, future events, or otherwise.
