## Attachment to Form 8937

### Report of Certain Organizational Actions Affecting Basis of Securities

The information contained on Form 8937 and within this attachment does not constitute tax advice and is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code of 1986, as amended (the "Code"). Moreover, each shareholder is urged to consult its own tax advisor regarding the particular tax consequences of the transaction to them, including the applicability and effect of all U.S. federal, state, local, and foreign tax laws.

#### Form 8937 Part I Lines 9 and 10

Description	CUSIP
Variable Rate Series A Perpetual Stretch Preferred Stock	594972853

#### Form 8937 Part 11 Line 14

On November 30, 2025, Strategy Inc (f/k/a MicroStrategy Incorporated) (the "Company") paid a monthly cash dividend of \$0.87500000 per share on the Variable Rate Series A Perpetual Stretch Preferred Stock ("STRC") to shareholders of record as of November 15, 2025 (the "November 2025 Distribution"). The Company expects that the November 2025 Distribution will be a nontaxable return of capital to the extent of a preferred shareholder's tax basis in each share of STRC shares.

#### Form 8937 Part 11 Line 15

The character of a distribution as either a dividend or return of capital for federal income tax purposes depends on the Company's estimate of current and accumulated earnings and profits ("E&P") for its full tax year in the year of the distribution. The information set forth in this Form 8937 is based on estimates as of the time this Form is filed with the Internal Revenue Service ("IRS") or made publicly available in lieu of filing with the IRS. Estimates can change throughout the year and, to the extent the Company's estimates change, the Company will file a corrected Form 8937 for impacted distributions pursuant to applicable Treasury Regulations.

Based on current estimates, the Company will have zero current and accumulated E&P in its taxable year ending December 31, 2025 and, accordingly, it is expected that 100% of the November 2025 Distribution on the STRC shares will be characterized as a return of capital for federal income tax purposes, to the extent of a recipient shareholder's tax basis in their STRC shares. A shareholder's tax basis in the STRC shares will be reduced by the amount of the distribution made under section 301(c)(2) of the Code. Any amount of the November 2025 Distribution paid in excess of a shareholder's tax basis in its STRC shares will be treated as capital gain for U.S. federal income tax purposes under section 301 (c)(3) of the Code.

*Shareholders should consult their own tax advisors to determine the income tax consequences for their specific situation. The Company is providing this Form for informational purposes only and not as legal or tax advice.*

**Form 8937 Part 11 Line 16**

Pursuant to sections 301 (c) and 316(a) of the Code, the taxability of the November 2025 Distribution to each recipient shareholder is based on estimates of the Company's current and accumulated E&P for its 2025 taxable year, as computed for U.S. federal income tax purposes at the time of the distribution. The Company's estimated current and accumulated E&P applicable to the November 2025 Distribution supports the disclosure that the entire amount of the November 30, 2025 distribution on the STRC shares should be characterized as a non-taxable return of capital to the extent of each shareholder's tax basis in its STRC shares under section 301(c)(2) of the Code, followed by treatment as capital gain to the recipient shareholder under section 301 of the Code to the extent the amount of the distribution on the STRC shares exceeds such shareholder's tax basis in STRC shares.

**Form 8937 Part 11 Line 17**

Internal Revenue Code sections 301 (c) and 316(a).

**Form 8937 Part 11 Line 18**

**Form 8937 Part 11 Line 19**

The information on lines 14, 15, 16, and 17 will be reflected at the individual shareholder level on the shareholder's 2025 Form 1099-DIV. Additionally, copies of Form 1042-S, as required, will be furnished to certain non-U.S. holders of the Company's STRC shares who received the November 2025 Distribution.

*Shareholders should consult their own tax advisors to determine the income tax consequences of their specific situation.
